"Without the support and leadership of the Community Prayer Breakfast committee, the baccalaureate service would NOT have happened this last year. We are truly blessed to have the Community Prayer Breakfast in Amarillo, Texas!!"

—Sherry Burgess, Adult Leader of the Baccalaureate Committee

Since 1997, Baccalaureate for the schools of the Amarillo Independent School District has been planned and held by students of the four high schools, assisted by a few adult leaders who have a belief that Baccalaureate is an important milestone event in the lives of our high school graduates. Please help the Baccalaureate Committee continue this important tradition in Amarillo.
